PHOTO INTELLIGENCE MEMORANDUM

CURRENT TRANSPORTATION DEVELOPMENTS IN
FUKIEN PROVINCE, CHINA

This memorandum is a spot summary of recent developments in road and railroad construction in Southeast China as observed in aerial photography dated the [REDACTED]

25X1D

Pehling Peninsula Road

The road connecting installations on the Pehling Peninsula with the coastal highway has been completed.

Coastal Highway Construction

Limited aerial coverage indicates that the entire 110 mile gap in the coastal highway between Jui-an and Ning-te is under construction. Brush clearing and grading was revealed by photography between Kan-T'ang [REDACTED] and Shang-pai-shih [REDACTED]. Limited grading and clearance of vegetation for a new road was also revealed between Che-jung [REDACTED] and Futing [REDACTED].

25X1D
25X1D

Yungan-Lien Cheng Road

A first class road extends Southwest from Yungan probably to Lien Cheng. There is no indication of rail construction Southwest of Yungan.
